Essay Question

Please share an experience that has helped shape and develop your character. The committee hopes to learn about the strong influences in your life and what makes you unique. The experience could be academic, community, athletic, family, work experience, etc.

Short Answer Questions

- (1) How will this scholarship be helpful to you and your family?
- (2) If you could have dinner with a leader or a “change maker”, past or present, who would it be and why?
- (3) Are you the first in your family to attend college? Please do not consider siblings in your response. Answer “no” if a parent or guardian attend college. Answer “yes” if parents or guardians did not attend college.

Please list your intended Major

Please provide a summary listing of school and non-school activities.

We are interested in learning about your activities in and out of school e.g., athletics, clubs, volunteerism, paid work. Please list your activities (no more than 10) in order of importance. Describe the activity, number of years involved, level of participation and any leadership roles. (If multiple years, list as 9, 10, 11, 12)

Please provide summary listing of school and non-school awards.

We are interested in learning about your awards and recognition in and out of school. Please list awards or honors received (no more than 10). Please describe the award, year or years received and a brief description of the award.

You will be required to upload your high school transcript (including first term grades)

A letter of recommendation, although optional, is highly recommended.

I agree, if selected for the ONECommunity Scholarship to provide additional information as needed to verify account holder information and ensure proper delivery of award directly to college or university.
