

## Examples of HarborOne Foundation RI Grants by Focus Area

### Education:

- **Adoption Rhode Island** received a grant to support the Succeed! Program which provides individualized support to children and teens to ensure academic progress throughout elementary and middle school, obtain the credits they need to graduate from high school, and have a concrete plan to go on to college or other postsecondary option of their choice.
- **Pawtucket School Department** received a grant to support the Financially Fit Families Program which provides personal, professional, long-term financial coaching through the Capital Good Fund.
- **Young Voices** received a grant to support youth from low-income communities in Providence and Newport to become community leaders and highly successful adults with the skills to excel in college and the workplace.

### Housing:

- **NeighborWorks Blackstone River Valley** received a grant that will help provide foreclosure counselling support to over 60 Rhode Island families. This work ultimately reduces family hardship, increases stability, and provides comforting guidance.
- **Olneyville Housing Corp/One Neighborhood Builders** received a grant that will help support the development of the Sheridan Small Homes which is a cluster of five community centered small homes that are affordable, energy efficient, durable and sustainable.
- **Sojourner House Inc.** received a grant that will help support the Rapid Re-Housing Program which helps homeless victims of abuse receive rental assistance and supportive services.
- **West Elmwood Housing** received a grant to support the home buying and financial literacy programs which helps empower residents of the community with education that will ensure both financial and housing stability.

## Basic Needs:

- **Big Brothers Big Sisters of Rhode Island** received a grant to support the emergency assistance fund that provides essentials to families in need.
- **The Miriam Hospital Foundation** received a grant that will help support the Community Investment Grants Program which distributes annual awards with the intent to improve the quality of life of its neighbors.
- **Young Voices** received a grant to support youth from low-income communities in Providence and Newport to become community leaders and highly successful adults with the skills to excel in college and the workplace.
